

Infrastructure Facilities

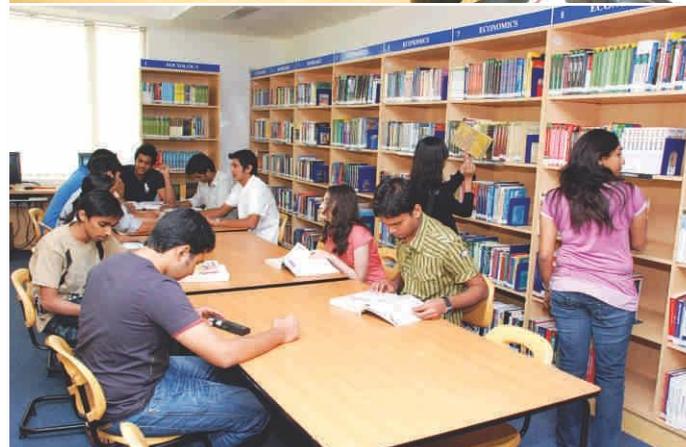

Modern international education demands two things; quality teaching faculty and quality infrastructure. Russell Square International College fosters an excellent conducive learning environment with state-of-the-art-technology and world-class student facilities for a holistic learning experience, complete with a well-synchronised ambience that helps students ease their work pressure.

The Learning Centres : All Classrooms at RSIC are well-equipped with display boards for the use of students and teachers, along with overhead and LCD projectors as well as wi-fi and Internet facility. The seating arrangements in the rooms are flexible to adapt to the teaching requirement. While the lecture rooms are equipped to seat a relatively larger number of students, the tutorial rooms are smaller - allowing a small group of 10 - 15 to interact closely.

IT Centre : The computer labs have high-speed internet connectivity and all students have direct access to RSIC and the University of London. Virtual Learning Environment (online on-campus), which offers continuous interaction between the faculty and students. It also facilitates online testing, discussion boards, and exchange of courseware. The computer room is also equipped with an LCD projector to facilitate computer based learning, whenever required.

Reading & Research Centre : RSIC has a large, spacious and wellstocked library maintained with an automated library management system and updated on a regular basis. It hosts a range of academic as well as general awareness documents including books, journals, periodicals, reference material and relevant databases. In addition, the RSIC library also offers access to the virtual library and databases of the University of London, International Programmes.

Audio-Visual Centre : The Audio-Visual Room at RSIC is specially designed for interactive learning and is equipped with state-of-the-art AV systems for conducting lectures, presentations and discussions. It is also equipped with an LCD projector, where in national and international documentaries are screened from time to time for the benefit of the students and faculties.

Cafeteria : The College Cafeteria is spacious and lively, with a warm and friendly staff and a multicultural menu of mini meals and snacks.

Recreational Centre : The Common Room provides recreational space to the students of RSIC, well-stocked with equipment for indoor sports like carom and table tennis.

The Swimming pool : A well-maintained, 8-lane pool, with a depth of 6.5 feet, gives students a good means to relax and beat the heat. With a depth of 6.5ft, the pool can be used by the students at an allotted time.

Fitness Centre : Furnished with tread mills, an aerobic cycle, a multi-gym and other fitness equipment, the RSIC Gymnasium helps its students stay fit and healthy.

The Auditorium : The Auditorium at RSIC is well-equipped to host students' events, guest talks by visiting industry heads, inter and intra college events, seminars, debates, workshop and a range of other student activities.
